### Robin McGraw Revelation AveryLasting Love Lip Gloss in The Erica

This lip gloss from Robin McGraw Revelation (*the Dr. Phil's wife*) is everything a lip gloss should be. It's not too sticky or goopy and gives just the right amount of color and shine. It's long lasting and moisturizes, smoothing lips to make them look fuller. We love this color because it leaves your lips with a lovely rosy, natural look. The best part: 100 percent of the profits from this particular product go to McGraw's foundation for domestic violence, When Georgia Smiled. Look for it in three more colors this July!
